

In the present home of Allendale Equipment, 317 Franklin Turnpike, Allendale, all types of earth equipment, from lawn mowers and snowblowers to tractors and earth mov-

ing machinery, are sold and serviced. The firm has been owned and operated by the Thurston family since 1914.

Allendale Equipment Company's first home, in 1914, was in this converted cider mill, about a block away from its present location.
