

PERSONAL NAME INDEX

* after a number indicates that a photograph or illustration of the person appears on that page.

Note: Names of married women may be found under their maiden surnames, under their married names, and under their husband's names, depending upon how the name appears in the text. "Mrs. John Doe (formerly Jane Smith)" might be found under John Doe (this index ignores the "Mrs."), Jane Smith, and Jane Doe.

Names followed by "Jr.," "Sr.," or "III" in the text are often indexed as the name only.
